

The logo features the acronym 'CMS' in a large, blue, serif font with a thin white outline. The background is a light beige color. A large, stylized blue arc sweeps from the top left towards the bottom right. Below this arc, there are concentric semi-circular segments in yellow, white, and green. Five thick, red, curved lines originate from the bottom left and sweep upwards and to the right, crossing the blue arc and the yellow segment. These lines represent particle tracks.
